

ULTIMATE AGENT'S! CASE

YOUR COMPLETE DEMO KIT FOR THE **USERIES** TOOLS

Attractively displayed in a compact and durable hard-shell aluminum case

● ALL-IN-ONE ● READY-TO-SHOW ● BUILT-TO-IMPRESS

Take your tooling presentation to the next level with the **ULTIMATE AGENT CASE**, the perfect hands-on sales kit featuring NOGA MT's breakthrough **USeries** solutions:

UFIBER Advanced ceramic fiber brushes for high-end surface finishing

UBURR For reliable front & back deburring solutions

UBACK Toolholder Sets: **USPOT** insert for back counterbore or spotfacing of a drilled through hole.

UCHAMF insert for back chamfering or countersink of a drilled through hole.

What's the Thinking Inside the Case?

- 22 **UFIBER** brushes (surface, cross-hole, point, end, angled)
- 5 **UBURR** deburring tool sets with 5 extra blades
- 2 **UBACK** toolholder sets
- 1 Quick-reference board with application illustrations

Perfect for:

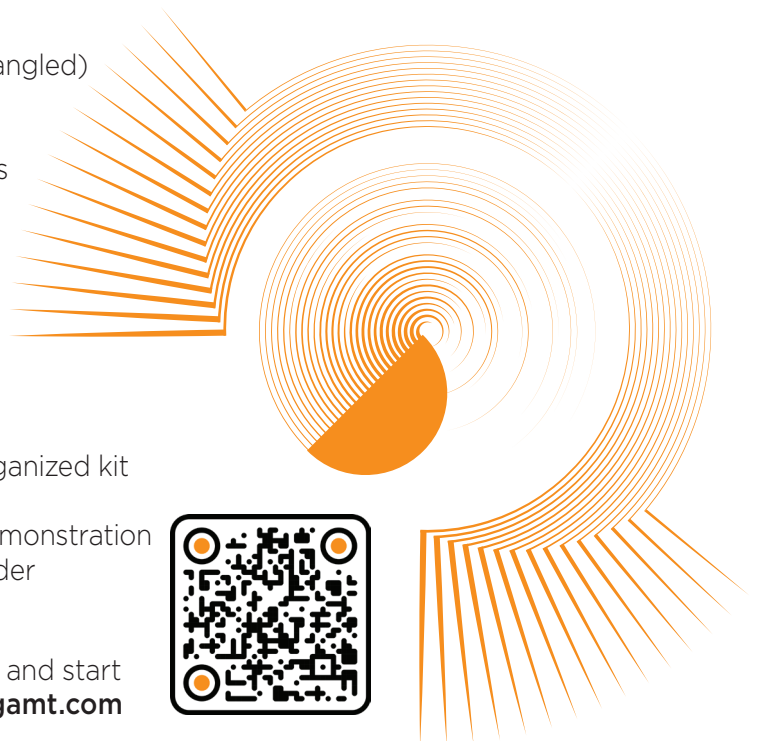

- Sales agents and global partners
- Live demos at customer sites
- Exhibitions & training sessions
- Distributor onboarding and technical education

Why it matters:

- Showcases NOGA MT's full **USERIES** in one sleek, organized kit
- Support customer discussions with real samples
- Boosts confidence and conversation with physical demonstration
- Establishes your brand as a forward-thinking tool leader
